

§210.20

7 CFR Ch. II (1–1–07 Edition)

thereof. FNS will also have the authority to waive such claims if FNS determines that to do so would serve the purposes of the Program. This provision shall not diminish the authority of the Attorney General of the United States under section 516 of title 28, U.S. Code, to conduct litigation on behalf of the United States.

(d) *Management evaluations.* Each State agency shall provide FNS with full opportunity to conduct management evaluations of all State agency Program operations and shall provide OIG with full opportunity to conduct audits of all State agency Program operations. Each State agency shall make available its records, including records of the receipt and disbursement of funds under the Program and records of any claim compromised in accordance with this paragraph, upon a reasonable request by FNS, OIG, or the Comptroller General of the United States. FNS and OIG retain the right to visit schools and OIG also has the right to make audits of the records and operations of any school. In conducting management evaluations, reviews, or audits in a fiscal year, the State agency, FNS, or OIG may disregard an overpayment if the overpayment does not exceed \$600. A State agency may establish, through State law, regulation or procedure, an alternate disregard threshold that does not exceed \$600. This disregard may be made once per each management evaluation, review, or audit per Program within a fiscal year. However, no overpayment is to be disregarded where there is substantial evidence of violations of criminal law or civil fraud statutes.

(e) *Additional requirements.* Nothing contained in this part shall prevent a State agency from imposing additional requirements for participation in the Program which are not inconsistent with the provisions of this part.

(f) *Cooperation with the Child and Adult Care Food Program.* On an annual basis, the State agency shall provide the State agency which administers the Child and Adult Care Food Program with a list of all elementary schools in the State participating in the National School Lunch Program in which 50 percent or more of enrolled children have been determined eligible

for free or reduced price meals as of the last operating day of the previous October, or other month specified by the State agency. The first list shall be provided by March 15, 1997; subsequent lists shall be provided by February 1 of each year or, if data is based on a month other than October, within 90 calendar days following the end of the month designated by the State agency. The State agency may provide updated free and reduced price enrollment data on individual schools to the State agency which administers the Child and Adult Care Food Program only when unusual circumstances render the initial data obsolete. In addition, the State agency shall provide the current list, upon request, to sponsoring organizations of day care homes participating in the Child and Adult Care Food Program.
